Castle Family Health Center Medical Assistant Program

STUDENT APPLICATION

Our Medical Assistant Program at Castle Family Health center is designed to prepare students for entry-level positions in healthcare. This comprehensive program integrates hands-on training at CFHC clinics with proficiency in medical terminology and insurance verifications. Students will develop essential front office skills including written and oral communication, appointment scheduling, and basic computer applications, alongside clinical training in anatomy, patient assessment, and practical procedures under physician direction. Upon completion, graduates will receive certification of completion and guaranteed externship placement at a health center within the community, ensuring a solid foundation for a successful career in the medical field.

Fee Disclosure

The program fees for our Medical Assistant Program at Castle Family Health Center are \$2500.00, due upon application approval and no later than January 6, 2025. This fee includes curriculum and textbook materials, 2 sets of pre-selected scrubs, required physicals and immunizations, mentorship, the opportunity to sit for a certification of completion, and guaranteed externship placement. Upon successful completion of the program, including the externship and one year of employment, participants *may be* eligible for reimbursement of up to 50% of the program fees.
